OUR

LIFE • SCHOOL • STORY

Mrs. DeGregorio has played a much larger role than simply a teacher in the lives of the Class of 2019. For some, she was the first person to bridge the gap between us and God. For others, she taught us the importance of words, how often times they are overused and underappreciated in their meanings. Mrs. D has been our most distinguished professor of life, love, and authenticity. She has remained deliberate in her actions and been thoroughly committed to fostering a safe space in her classroom. Upon hearing her cheery voice, the first thing that comes to mind is her radical optimism and ability to be a beacon of light to the people around her even on her darkest days. As we start this new chapter in our lives, we must hope to have adopted even a fraction of her bravery and faith to guide us along our paths. Mrs. DeGregorio, we love you. You have made our experience at Pope John something fantastic. May God watch over you the way you have watched over us these past four years.

Adventure Club

The Adventure Club is something every student should experience at least once at Pope John. It is a great way to see the beauty in nature and can bring people together to just have fun outside of school.

(Left to Right) Gigi, Brianna, Emily, Julia, Karen, Dariana, and Thu all took a photo on the ferry to Nantucket and spent the whole day having fun and seeing the beautiful sites of Oak Bluffs!

"You can't spell adventure without vent"

Junior Victor Williams Barros working hard at the Habitat for Humanity worksite.

"During this academic year, Campus Ministry saw participation from many new members. The aim of the club is to be the hands and feet of Christ by spreading the Faith in community service, on retreats, and by taking part in the school-wide masses. The Retreat Ambassadors proudly led games and small-groups on retreat and some of them even gave talks. Community service was active throughout the year with over 20 students participating in Habitat for Humanity, others in the Salesian Boys' and Girls' Club of East Boston, and still others partaking in the Catholic Charities Lynn Christmas Program. Lastly, students and teachers attended a day-long conference in Lawrence with over 300 students from across the Archdiocese. We are grateful for all of the new and returning students and we look forward to another year of leadership, service, and prayer next year."

"Theatre is something I always wanted to do ever since I was in my first production. The Pope John Drama Club opened my eyes into the world of theatre. This club created so many friendships for me and many experiences that I will never forget. I want to say thank you to everyone, those who I met for only one year to all four years. The Mercury Newspaper The Chess Club

Chess Club

The Mercury newspaper is a wonderful for student to express themselves through writing, drawing, or poetry.

Students can write their own poetry and publish it in the Mercury and write about new clubs coming at Pope John.

Students can also write about pop culture and current events for the newspaper. They can even submit their own work of art that is relevant to a certain article or just art work that can be found appealing to other students!

The Mercury includes a section for sports and clubs. It is a way where students can find out what's going on in a club or sport and can intrigue them into joining that club or sport.

In Mr. Correale's room, he hosts this club where people can practice and learn the game of chess!

Mr. Correale is playing chess against Kevin while Tony watches.

Chess club is open to anyone who enjoys chess or who wants to learn how to play.

The meet on Mondays and can verse anyone they please!

Many of the international students enjoy the club. It helps them learn strategy and how to be a good solver.

Garret is playing against Kevin who is making his move.

Mr. Correale runs both of these clubs. He takes pride and joy in making two activities that he enjoys and giving the students a chance to enjoy them as well.

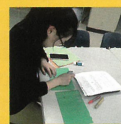

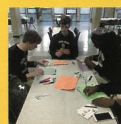

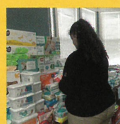

"The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. These characteristics have been associated with membership in the organization since its beginning in 1921."

Service Projects this year included: Our annual blood drive, delivering food and clothing to local shelters, bake sales, and decorating cards for local nursing homes.

When the World is Silent:

You speak to me and the voices of the room fall away.
A murmur, constant and unwavering-- a cicada crawling on my neck,
clicking and buzzing.
I swat at the fluttering wings and grieve the silence.
I am beckoned to seek out the static hum of the night.
I run through empty streets, pull my body against the self manifested
wind.
The solid concrete pushes back at the soles of my feet.
And all at once the world is still and quiet and the sky is spilled ink
and our eyes are the stars.
We are watching ourselves from the ground and from heaven.
The sun is a distant stranger who still manages to sting me with its
song.

OUR STORY

Colophon

The 2019 yearbook was published by Jostens Inc. in State College, Pennsylvania with professional photography provided by Prestige by Lifetouch of Melrose, Massachusetts.

Our yearbook also contains photographs from Mr. James Correale, an English teacher at Pope John, Mrs. Stefanie McKanas, the Admissions Director at Pope John, and various students and teachers from all grades and departments at Pope John.

The yearbook is the result of the hardworking editors- Michelle Palomba, Janelle Messina, and Tiago Xavier. We also can't forget our hardworking yearbook team- Makenna Ripley, Samantha Ripley, Malley Andemeskel, Nhi (Blair) Nguyen, Quang Minh (Jack) Nguyen, Thu Pham, Brutchel Hyppolite and Samuel Poindexter.

The hours spent taking photographs, interviewing students and doing layouts are incalculable. Mrs. Gia Johnson, the Yearbook Advisor, sincerely thanks all these individuals and a special thank you to Ms. Maria Touet, Pope John's very own librarian. Without her help this yearbook would not have turned out as amazing as it did.

We also want to thank Mr. Carl DiMaiti, Head of School, Mr. Thomas Mahoney, Principal, Tom Keeley, Publishing Representative, and Chrisina Hodges, Publishing Consultant of Jostens for their assistance and patience through out the year.
